### How Title Loans Work

1. Fill out the online form on the website.
2. Wait for a loan representative from the nearest location to give you a call. During the call, you can give the representative a location of your choice and they will come to meet you if you'd rather not come to the store. Whether you come to the store or have us come to you, you still must have your driver's license or state-issued photo ID, your lien-free title to your vehicle, and your vehicle.
3. Sit down with a loan representative who will examine your ID and title and conduct a quick inspection of your vehicle. They will assess everything and determine if you qualify for approval.
4. If you do get approved, you will sign the paperwork and receive the money the same day or the following business day.

**Can I keep my vehicle?**

Yes, you can keep your vehicle while you are repaying the loan. Just stick to the repayment schedule.
